

FOUNDATION FOR NORTH AMERICAN WILD SHEEP

Alberta Chapter

Mission Statement:

To promote and enhance the increasing populations of indigenous wild sheep on the North American continent, to safeguard against the decline or extinction of such species, and to fund programs for professional management of these populations, keeping all administrative costs to a minimum.

The Foundation for North American Wild Sheep (FNAWS) was incorporated as a non-profit corporation in 1977. FNAWS is actively involved in the conservation, propagation and intensive management of the remaining Wild Sheep populations and their habitats. Assistance is provided to a wide variety of meaningful and essential projects including: Buffer Land Acquisition, Wild Sheep Transplants, Biological Studies and Research Projects, Prudent Wild Sheep Management; Wildlife Habitat Improvement, Safeguard the Environment, Repress Poaching and Foster Sportsmen's Rights.

The Foundation for North American Wild Sheep has twelve chapters throughout the United States of America and one Chapter in Alberta, Canada. Membership to the Foundation for North American Wild Sheep can be purchased through the website listed below and range from \$25.00 for an individual, \$40.00 for a family, to a \$500.00 Lifetime Membership.

For more information about the Foundation for North American Wild Sheep, please contact the Alberta Chapter at:
