

SAFARI CLUB INTERNATIONAL

Mission Statement:

To protect and expand the rights of hunters worldwide.

Safari Club International – Northern Alberta Chapter is an organization of avid hunters and outdoors people who are dedicated to promoting responsible use of our natural resources. They care about wildlife, they care about the environment and they care about the society. They are passionate about hunting and want to share their experiences with others. Through the parent organization – SCI – NAB support, promote and present a number of wildlife conservation and humanitarian efforts.

SCI Code of Ethics includes:

- ✓ Recognizing my responsibilities to wildlife, habitat and future generations, I pledge:
- ✓ To conduct myself in the field so as to make a positive contribution to wildlife and ecosystems.
- ✓ To improve my skills as a woodsman and marksman to ensure humane harvesting of wildlife.
- ✓ To comply with all game laws, in the spirit of fair chase, and to influence my companions accordingly.
- ✓ To accept my responsibility to provide all possible assistance to game law enforcement officers.
- ✓ To waste no opportunity to teach young people the full meaning of the Code of Ethics.
- ✓ To reflect, in word and behaviour, only credit upon the fraternity of sportsmen and to demonstrate abiding respect for game, habitat and property where I am privileged to hunt.

Why should you join SCI?

- ✓ To preserve the heritage of hunting for our future generations.
- ✓ To strengthen the voice of sportsmen.
- ✓ To increase the awareness and importance of hunting.
- ✓ To be informed and updated about issues relating to the outdoors.
- ✓ To share hunting experiences and information with other sportsmen.

SCI's more than 200 Chapters host outstanding local banquets, informal get-togethers, educational forums and conservation and humanitarian services projects benefiting those in need. SCI Chapters and members fund hundreds of local, regional and global wildlife conservation projects each year. Each SCI Chapter is required to fund at least one conservation project each year.

If you love to hunt, SCI is a great place to expand your circle of hunting companions. Membership Application forms are available from your local SCI Chapter or on the website listed below. You must be a member of Safari Club International in order to purchase a membership with one of the Alberta Chapters. Memberships for the Northern Alberta Chapter start at \$25.00 for an individual, and International individual memberships start at \$80.00.
